You can also find answers to Frequently Asked Questions in the UpToDate Support Knowledge Center (go.uptodate. com/knowledge-base).

## Advanced content is available right within your UpToDate search results for quick and easy access:

**UpToDate Pathways** — Interactive guides to help make appropriate decisions related to specific clinical questions.

Lab Interpretation — Monographs to quickly help interpret abnormal lab results and choose next steps.

### With UpToDate® Advanced in the workflow, you can help reduce unwanted care variability for your patients

When it comes to providing consistent quality and appropriate care to patients, you have to make the right call every time, while considering the best evidence and patient preferences. This is especially important for common, chronic, and complex conditions that have multiple management, diagnosis, or treatment options, and thus the highest potential for unwarranted care variations.

appear in the "Quick Access Panel" to the

right of search results.
